

## Filtri di rete trifase per elevate correnti

### High currents power line filters

MODELLI Model List	Codice Code	Corrente nom. [A] Rated current	Tensione nom. [V] Rated voltage	Dimensioni Case size L x W x D
<b>Tripla cella - 3-stages</b>				
TDCI300	239TDCI300	300	3 x 520	255 x 450 x 115
TDCI450	239TDCI450	450		255 x 500 x 135

### TDCI

Categoria climatica Climatic category	40/085/21 (IEC 60068-1)
--	----------------------------

Filtri per convertitori/inverter  
Compatti  
Per correnti elevate  
Alta attenuazione

3 phase filters for drives/inverters  
Compact design  
For high currents applications  
High insertion loss
